The City of Scottsdale partners with the Scottsdale Unified School District to provide afterschool sports for elementary school children. This school-year, the Youth Sports Program will mirror the Middle School programs currently offered. Youth will play for their elementary school teams and compete against other schools. Each season will conclude with an End-of-Season Tournament with trophies awarded to the top 2 teams!

The leagues practices will be immediately after school on-site at all SUSD schools. All coaches are trained and certified through the National Youth Sports Coaches Association. Basic FUNDamentals, positive peer interaction, and good sportsmanship are the foundation for the Youth Sports program.
